## Rediscovery of Outdoor life.

OnFire symbolises the pleasure of gathering around a fire and enjoying the barbecue as a meeting place and focal point where beauty and taste combine. OnFire's sleek design is inspired by elegance and nature, two concepts which can be found in the elliptical cooking plate and the podium on which the plate rests. OnFire is fueled by wood, a choice which is in line with the sustainability aspect of the product and the effortless maintenance required to operate it.

# OnFire can **perfectly** fit in any **ambience**.

- Home gardens, parks, any green space
- Restaurants with outdoor eating space
- Farmhouses, B&Bs
- Hotels, resorts
- Lodges, glamping sites, relais
- SPAs and Fitness centres
- Food and drink companies which want to entertain customer with tasting experiences
- Catering and Food events
- Roof top bars
- Après-skis, chalets
- Beach kiosks
- Swimming-pools parties

OnFire S.n.c. Via S. Pellico 11 33077 - Sacile (PN) - Italy

# OnFire is built to guarantee everlasting performance and reliability.

The OnFire structure
is available in corten
steel or in black

powder coated
metal with
rust-proof
and corrosion
resistant
treatment.
OnFire is
weatherproof
and can be left
outdoors when
not in use.

# A complete and versatile companion for all seasons.

The unique shape of the OnFire hotplate provides the option of simultaneously cooking different types of food at different temperatures. The temperature of the plate varies according to the proximity to the fire. OnFire can be enjoyed throughout the year, it is the perfect centrepiece for Spring and Summer BBOs but it is also a great outdoor cooking option to enjoy BBQ food in a cosy indoor environment during the cold months. OnFire experience can be enhanced by a wide range of accessories: classic grill, wok grill, screwer grill, pizza oven and many more. OnFire will transform BBQs into culinary journeys where you can experience different cuisines and styles of cooking.

## Onfire: much more than a BBQ.

OnFire can cook any type of food using different techniques: hotplating, grilling, smoking, food re-heating can all be enjoyed with our product.

Our vast range of accessories will also allow roasting, frying, sauteing and pizza-baking. But there is more to it, our great recipe book will inspire food lovers to recreate incredible dishes from all over the world, from appetizers to desserts, from meat to fish.
